*Cheboygan Residence*

**Full Circle  
Project of  
the Month**

**W**e recently hired Full Circle to do a remodel of our kitchen, including new cabinets, counter tops and a tile back splash. We were familiar with their work because they had done a kitchen remodel for our daughter a few years ago.

Throughout the project everything went so well. All the guys: Jim, Gary and even the electrician were very nice and professional. They always cleaned everything up really well. They cleaned like I do and I was surprised!

***We would have them back again in a heartbeat.***
